JOPASU
CAR CARE

About Us...

JOPASU INDIA PVT. LTD (JOPASU) is a leading manufacturer in the automotive industry, renowned for making world class auto care and detailing products since 1996. With the goal of providing the highest quality auto care products, JOPASU has remained dedicated to delivering exceptional and enduring value auto care products and knowledge to its clientele.

Innovation is engrained in the culture of JOPASU and is showcased by developing a wide range of indigenous products through Advanced Chemistry and Textile innovations.

JOPASU has built a definition of success, with a dedicated team of employees aligned to organisational culture, stringent manufacturing processes at all the production centers and innovative product development at JRD (Jopasu Research & Development) Lab, all aimed at ensuring utmost customer satisfaction.

Jopasu aims to stand as the exclusive manufacturer of automotive care products, serving as a trusted sourcing partner for both domestic and global markets.

Manufacturing Capabilities

JOPASU operates a well-established network of five state-of-the-art Chemical and Textile manufacturing facilities, strategically located in Pune, India. With over 27 years of experience in automotive care, Jopasu takes pride in pioneering cutting-edge formulations for automotive care solutions. The company maintains 600+ proprietary formulations, with multiple offerings in following categories.

- Polishes and Waxes
- Rubbing Compounds
- Degreasers and Cleaners
- Car Soaps
- Dressings
- Protectants
- Speciality Products
- Super Utility Products

The streamlined developmental processes enable the manufacturing of multiple SKU's efficiently. JOPASU's commitment to excellence is underscored by stringent manufacturing processes, very well implemented to ensure the highest quality output.

Furthermore, JOPASU possesses the expertise to customise formulations according to specific customer requirements, ensuring tailor-made solutions for their unique needs in its dedicated JRD Lab.

MAX SHINE

Carnauba Car Wax

Jopasu Car Care Kit

1 Unit

1 Juggernaut Car Duster, 1 Wash Mitt, 1 Bio Car Shampoo, 1 Jopasu Magic Wipe, 1 Premium Paste Wax, 1 Vinyl & Leather Polish, 1 Trim N' Tire Dressing.

Jopasu Car Care Kit - lite

1 Unit

1 Microfibre, 1 Dashboard & Tyre Polish, 1 Bio Car Shampoo, 1 Scratch Remover, 1 Vinyl & Leather Polish, 4 Windshield Washer Pouches, Applicator Sponges.

Jopasu Bike Care Kit

1 Unit

Jopasu Bike Care Kit includes:
1 Microfibre, 1 Bio Car Shampoo, 1 Scratch Remover & 5 EZEE Shine Sponge.

Max Shine

250 gm

This Carnauba wax gives maximum shine on the car's surface and also creates a protective barrier against UV rays, water and contaminants, giving a fresh, showroom look.

One Step Polish Wax

120 ml, 300 ml

Aqua green liquid wax with mild abrasives removes oxidation and imperfections, carnauba wax & silicones deliver a high-gloss, swirl-free finish with lasting protection.

Tireffix Dressing

500 ml

Ready-to-use, solvent-based, colourless spray that restores shine and lustre to exterior vinyl and rubber surfaces and leaves a trendy fragrance. A body-shop safe product.

Trim N' Tire Dressing

100 ml, 500 ml

Ready-to-use, solvent-based dressing that restores shine and lustre to exterior vinyl, and rubber surfaces. It is not a body-shop safe product. Shine lasts for longer duration.

Tire Foam

500 ml

This aerosol product allows easy application on exterior vinyl and rubber surfaces. This foam cleans and shines the tires or surfaces by giving it a dark wet look.

Tire Restorer

650 ml

This aerosol product allows easy application on exterior vinyl and rubber surfaces. Tire restorer restores the original colour by giving it a dark matt look.

Windshield Washer

25 ml, 50 ml

A concentrated, water-soluble solvent for vehicle washer fluid reservoirs. Its streak-free formula eradicates smoke, grease, grime, insect remains, tree sap, etc., ensuring spotless, clear vision.

Glass Cleaner

100 ml

Glass Cleaner is a streak free formulae to remove smoke, grease, grime, insect remains, tree-sap etc. from glass surfaces resulting in spotless glasses for a clear vision.

Anti Drip Glass Cleaner

500 ml

Unique formula resists the dripping of the solution on the glasses, giving more time to react on the dirt thus removing all impurities and providing streak-free brilliance on glass surfaces.

Lime Scale Remover

500 ml

Effectively removes mineral deposits / water spots from painted, chrome and glass surfaces thus restoring clear surfaces. Also removes the scale build-up from groove linings of the car.

General Purpose Cleaner

300 ml

Ready-to-use, versatile cleaner formulated to remove soil, grease, bugs and road film from exterior surfaces and dirt, grime & stains from interior rubber, plastic, vinyl and fabric.

Scratch Remover

160 gm

This rubbing compound eliminates scratches, surface imperfections, blemishes, oxidation effectively from any painted surface and also adds gloss onto the surface.

Dashboard Dressing

30 ml, 500 ml

Dashboard Dressing is a ready-to-use dressing that restores shine and lustre to vinyl, plastic, leather and rubber surfaces providing high gloss and leaving a pleasant rose fragrance in your car.

Reshine Dressing

500 ml

Ready-to-use, water-based dressing that restores shine and lustre to vinyl, leather and rubber surfaces. Thick milky liquid, good spreading ability, high gloss and rose fragrance.

J - Shine

120 ml, 300 ml

J Shine is a universal ready-to-use, water-based dressing that restores shine and lustre to vinyl, plastic, leather, rubber and painted surfaces and spreads a fruity fragrance in your car.

AC Disinfectant & Cleaner Foam

500 ml

Aerosol Dense foam penetrates air conditioner canals removing dirt, odour, mould etc. It reaches hardly accessible places and cleans. It leaves a nice, fresh aroma in the car.

Rat Repellent

250 ml

Rat Repellent Spray protects engine parts and wires from rat infestation. Highly effective formula ensures rats staying away, preventing any potential damage caused by their bites.

Spray Wax

500 ml

Spray Wax is an ultra slick, quick, all-weather high-shine gloss magnifier that is formulated to polish, wax and protect in one step with no residue. Gives a glorious shine.

Wash N' Shine Shampoo

300 ml

A thick, concentrated, reddish-orange liquid shampoo creates rich foam to lift and suspend dirt, enabling easy, film-free rinsing. Shine boosters deliver the desired brilliant shine for your car.

Wash N' Wax Shampoo

300 ml

Highly concentrated, bio-degradable, pink shampoo with rich, stable foam lifts and suspends dirt for easy, film-free rinsing. Emulsified Wax ensures high luster and durable surface protection.

Bio Car Shampoo

150ml, 300 ml

This thick, aqua-green liquid shampoo is highly concentrated and bio-degradable, producing rich, stable foam to lift and suspend dirt for effortless, film-free rinsing.

Dry Wash

300 ml

The Dry Wash lubricant softens, lifts, and encases dirt, making it easy to wipe away with a microfibre cloth without using any water. An eco-friendly water-saving product. Go Green!

Wash Mitt

1 Unit

A super absorbent high foaming tool to help wash cars. This microfibre mitt can create high foam so that dirt gets encapsulated while wiping resulting in a streak-free clean surface.

Duster Rejuvenator

500 ml

A unique formula of sprayable highly thick paraffin which Rejuvenates the Duster to attract dust particles from your car's dusty surface. One bottle can rejuvenate three dusters.

Juggernaut Microfibre

16"x16" (900gsm)

16" x 16" incredibly plush dual tone microfibre in approximately 900 g/m² features a revolutionary technology that effectively removes dirt, dust, moisture & contaminants from any surface.

Jopasu Magic Wipe

16"x16" (380gsm)

16" x 16" incredibly plush black microfibre in approximately 380 g/m² features a revolutionary microfibre technology that effectively removes dirt, dust, moisture and contaminants from any surface.

Jopasu Microfibre Wipe

16"x16" (320gsm)

16" x 16" incredibly plush black microfibre in approximately 320 g/m² features a revolutionary microfibre technology that effectively removes dirt, dust, moisture and contaminants from any surface.

Suede Microfibre

16" x16" (200gsm)

Suede Microfibre is super-smooth and is ideal for applying quartz or ceramic coatings, when used with the foam applicator blocks. Used for glass cleaning.

Microfibre Pack (Set of 3)

16" x16" (250gsm)

A set of three 16" x 16" incredibly different coloured plush microfibres, weighing 250 g/m², effectively removes dirt, dust, moisture, and contaminants from any surface.

Do All Applicator

(110x82) 22mm Foam

Do All Applicator is a highly durable European foam with open ended pores for high absorbency and release of dressings & polishes evenly on the surfaces of your vehicle.

Ezee Shine

1 Unit

Soft absorbent sponge infused with high shine liquid provides instant shine to all surfaces of the bike. After cleaning the bike, just wipe this sponge all over and achieve a premium look.

Sponge Applicator Pads

Set of 6

Sponge applicator used for many detailing tasks. Great for applying dressings, wax, polish, and leather care products. These smooth sponges leave no scratches onto the surfaces.

Microfibre Applicator Pads

Set of 4

Perfect accessory for any detailing task. Great for applying wax, polish, and leather care products. The 80/20 premium microfibre blend is scratch-free and safe for all surfaces.

J - 10

1 kg

A perfect rubbing compound which easily removes 1000-1200 grit size scratch marks from painted surfaces effectively. This is a heavy cut compound from the Arihant series.

J - 15

100 gm, 1 kg

A perfect rubbing compound which easily removes around 1500 grit size scratch marks from painted surfaces effectively. This is a medium cut compound from the Arihant series.

Profile Marine Paste

200 gm

Juggernaut series Profile Marine Paste removes scratches, imperfections, blemishes and oxidation. Industries' best marine paste provides precision cutting and stunning shine.

Ultrapaste

100 gm, 1 kg

Ultra Paste Compound from the Arihant Series effectively eliminates medium to fine grit scratches from any painted surface, giving the vehicle a better appearance.

J - Cut

1.3 kg, 1 gal

This white paste compound effectively eliminates light to medium (1500 - 2000 grit) scratches, imperfections, blemishes, oxidation from any painted surface leaving a deep gloss onto the surface.

Fusion

125 gm, 500 gm, 1.2 kg

2-in-1 Brilliance: Fusion. This product effortlessly combines rubbing and polishing actions eliminating 2000 grit size scratch & swirl marks to deliver a promise of unmatched shine.

Advanced Rubbing Compound

200gm, 500gm, 1kg, 5kg

This brick red paste effectively eliminates medium to heavy (1000 grit) scratches from any painted surface and leaves gloss onto the surface.

Clearvision

150 gm

Uniquely formulated, tea-coloured, ultrafine, aggressive diamond cut compound used for fine glass cutting and cleaning, removes fine scratches with precision.

Felt Pad

6"

Glass cutting pad designed mainly for Clearvision compound ensures precise and fine cutting action on glass also maintaining clarity for optimal results.

One Step Polish Wax

500 ml, 1 ltr, 1 gal

Aqua green liquid wax with mild abrasives removes oxidation and imperfections, carnauba wax & silicones deliver a high-gloss, swirl-free finish with lasting protection.

Premium Paste Wax

500 ml, 1 ltr, 1 gal

Premium Paste Wax, a thick soft pink liquid with carnauba wax, delivers premium gloss and long lasting protection, thus enhancing the vehicle's appearance.

Super Glaze

500 ml, 1 gal

Mildly aggressive, extremely durable, polymer fortified formulae that safely removes light scratches, oxidation, swirl marks & generates a deep, long-lasting gloss with a very smooth surface.

General Purpose Cleaner

(1:1, 1:2, 1:3 upto 1:10)

1 gal

GPC is mixed with water in varied proportions to remove soil, light grease, bugs from exteriors & dirt, grime, stains from interior rubber, vinyl & fabric.

Advanced General Purpose Cleaner

(1:1, 1:2, 1:3 upto 1:10)

1 gal

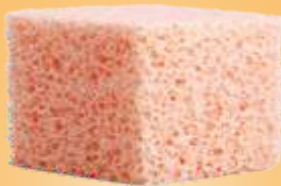

Advanced GPC being more powerful than the traditional GPC removes soil, light grease, bugs from exteriors & dirt, grime, stains from interior rubber, vinyl, leather & fabric.

Leather Cleaner

1 gal

Leather Cleaner, a leather friendly cleaner, that easily wipes away contaminants by penetrating the pores of leather to lift and suspend dirt and oil.

Fabric Sponge

1 Unit

This porous European foam helps clean fabrics and roof upholstery with the help of fabric shampoo: creates foam and cleans dirt.

Ultracoat

500ml, 1 gal

A P.T.F.E. fortified paint sealant containing artificial gloss enhancer and antistatic polymer protecting vehicle's finish from harsh environmental factors, while sealing in a deep and durable shine.

Underbody Coating

1 ltr, 20 ltr

Unique blend of petroleum hydrocarbons and resins that weatherproof the vehicle's under-chassis and helps block out annoying road noise.

Dashboard Dressing

500 ml, 1 ltr, 1 gal

Ready-to-use, water-based dressing provides a deep rich shine on interior vinyl, plastic, and rubber surfaces. Used on exterior vinyl and rubber surfaces too.

Shine All Dressing

1 gal

Shine All is a ready-to-use, water-based; high gloss dressing that restores shine and lustre on all the exterior and interior rubber, plastic and vinyl surfaces.

Dashboard & Tyre Polish

1 gal

Restores the shine and lustre of the vinyl, plastic, leather and rubber surfaces. Has good spreading ability and results in high gloss and pleasant fragrance.

Trim N' Tire Dressing

500 ml, 1 gal

Trim N' Tire dressing restores shine to exterior vinyl, plastic and rubber surfaces of the vehicle giving it a dark matt look for an extended period of time.

Engine Degreaser (1:5)

1 gal

Engine Degreaser is a heavy duty, low foaming, alkaline water-based degreaser which quickly removes tough grease, dirt and oil build up from leaky engines.

Lime Scale Remover

500 ml, 1 gal

Jopasu Lime Scale Remover effectively eliminates limescale (mineral deposits) or hard water spots, ensuring that the surfaces achieve a pristine, clear finish.

Aqua green liquid wax with mild abrasives removes oxidation and imperfections, while carnauba wax & silicones deliver a high-gloss, swirl-free finish with lasting protection.

Premium Paste Wax

1ltr, 1 gal

Premium Paste Wax, a thick, soft pink liquid with carnauba wax, provides and extended duration of premium gloss and protection while also elevating the vehicle's overall appearance .

Super Glaze

1ltr, 1 gal

Mildly aggressive, extremely durable, polymer fortified formulae that safely removes light scratches, oxidation, swirl marks & generates a deep, long-lasting gloss with a very smooth surface.

Dashboard Dressing

1 gal

Ready-to-use, water-based dressing provides a deep, rich shine on interior vinyl, plastic, and rubber surfaces. Used on exterior vinyl and rubber surfaces too.

Super Dress It All

1ltr

Super Dress It All is an economical, concentrated, thick water-based dressing that restores shine and luster to vinyl, leather, and rubber surfaces.

Glyzee 5020

1 gal

Glyzee 5020 is a thin, green coloured ready-to-use, economical, water-based formula that restores shine and luster to rubber surfaces.

Trim N' Tire Dressing

1 gal

Trim N' Tire dressing restores shine to exterior vinyl, plastic and rubber surfaces of the vehicle giving it a dark matt look for longer duration.

Iron Remover

500 ml

Powerful & efficient auto detailing product that decontaminates vehicle surfaces from harsh ferrous deposits and cleans any oxidation from the surfaces.

Lime Scale Remover

500 ml, 1 gal

Jopasu Lime Scale Remover effectively eliminates lime scale (mineral deposits) or hard water spots, ensuring that the surfaces achieve a pristine, clear finish.

Eco Car Shampoo

1 gal, 20 ltr

Super concentrated auto shampoo with enhanced surfactants provides high foaming to hold deposits in suspension, rinsing to a scratch-free, smooth finish. (Dilution ratio - 1:65 - 1:125)

Wash N' Wax Shampoo

1 gal, 20 ltr

A highly concentrated, bio-degradable, pink liquid shampoo rinses to a clean, smooth glossy finish. Emulsified Wax (Montana ester) provides high gloss and protection for extended period.

Foam Glow Shampoo

1 gal, 20 ltr

Highly concentrated, yellow shampoo generates thick, snowy foam that clings to the car & holds dirt in suspension, rinsing to a clean, smooth, glossy finish. (Dilution ratio - 1:150 - 1:200)

General Purpose Cleaner (1:1, 1:2, 1:3 upto 1:10)

1 gal

GPC is mixed with water in varied proportions to remove soil, light grease, bugs from exteriors & dirt, grime, stains from interior rubber, vinyl & fabric.

Advanced General Purpose Cleaner (1:1, 1:2, 1:3 upto 1:10)

1 gal

Advanced GPC being more powerful than the traditional GPC removes soil, light grease, bugs from exteriors & dirt, grime, stains from interior rubber, vinyl, leather & fabric.

Leather Cleaner

1 gal

Leather Cleaner, a leather friendly cleaner, that easily wipes away contaminants by penetrating the pores of leather to lift and suspend dirt and oil.

Underbody Coating

1 ltr, 20 ltr

Unique blend of petroleum hydrocarbons and resins that weatherproof the vehicle's under-chassis, giving proper protection and also blocking out annoying road noise.

Engine Degreaser (1:5)

1 gal

Engine Degreaser is a heavy duty, low foaming, alkaline water-based degreaser which quickly removes tough grease, dirt and oil build up from leaky engines.

Fabric Shampoo

1 gal, 20 ltr

Concentrated, water-based, medium-duty shampoo removes dirt, grime & stains from carpets & upholstered fabric on roof & seats of your car. (Dilution ratio - 1:10)

22mm Knitted Wool Pad (Lambswool Pad)

3"

This Knitted Wool (100% ultra-fine wool) pad provides good cutting properties and can be used with mild – heavy cut compounds to get a smooth uniform cut.

22mm Knitted Wool Pad (Lambswool Pad)

5"

This Knitted Wool (100% ultra-fine wool) pad provides good cutting properties and can be used with mild – heavy cut compounds to get a smooth uniform cut.

Coarse Microfibre Pad (with 8mm sponge)

5"

This Coarse Microfibre cutting pad provided with a foam cushion uses a unique material to provide ultimate cutting capabilities, while also finishing the surface at the same time.

22mm Knitted Wool Pad (Lambswool Pad)

6"

This Knitted Wool (100% ultra-fine wool) pad provides good cutting properties and can be used with mild – heavy cut compounds to get a smooth uniform cut.

22mm Knitted Wool Pad (Lambswool Pad)

7"

This Knitted Wool (100% ultra-fine wool) pad provides good cutting properties and can be used with mild – heavy cut compounds to get a smooth uniform cut.

Coarse Microfibre Pad (with 8mm sponge)

6"

This Coarse Microfibre cutting pad provided with a foam cushion uses a unique material to provide ultimate cutting capabilities, while also finishing the surface at the same time.

Fine Microfibre Pad (with 8mm sponge)

5"

Microfibre polishing pad, highly dense built with a foam interlayer of 8mm, penetrates deep into the pores of the paint for an optimal result. Improves control, performance and easy to use.

Fine Microfibre Pad (with 8mm sponge)

6"

Microfibre polishing pad, highly dense built with a foam interlayer of 8mm, penetrates deep into the pores of the paint for an optimal result. Improves control, performance and easy to use.

Knitted Short Wool Pad 6 mm (with foam cushion)

6"

Knitted Short Wool Pad (100% ultra-fine wool). Nap height of 6mm & sponge of 8mm. Soft cushion layer between wool and velcro backing. Ideal to work with Flex Edge backing plates.

Knitted Short Wool Pad 6 mm (with foam cushion)

7"

Knitted Short Wool pad(100% ultra-fine wool). Nap height of 6mm & sponge of 8mm. Soft cushion layer between wool and velcro backing. Ideal to work with Flex Edge backing plates.

4 Ply Compounding Wool Pad

8"

7.5" Twisted Wool Compounding grip pad (100% twisted wool) offers maximum cutting action. This fast-cutting pad quickly refines fine sanding scratches from painted surfaces.

Backing Pad (Velcro M14-2)

3", 5"

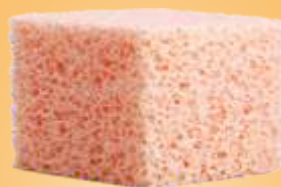

Hard rubber plate with high quality velcro firmly supported with fibre disc acts as a backing for consistent support to Cutting and Finishing pads.

Felt Pad

6"

Glass cutting pad designed specifically for Clearvision compound ensures precise and fine cutting action on glass & maintaining clarity for optimal results.

Fabric Sponge

150 gm

This porous European foam helps clean fabrics and roof upholstery with the help of fabric shampoo: creates foam and cleans dirt effectively.

Do All Applicator

(110x82) 22mm Foam

Do All Applicator is a highly durable European foam with open ended pores for high absorbency and release of dressings & polishes evenly on the surfaces of your vehicle.

Sponge Applicator Pads

Set of 6

Sponge Applicator Pads are great for applying dressings, waxes, polishes, and leather care products. Scratch-free and safe for all types of surfaces.

Microfibre Applicator Pads

Set of 4

Microfibre Applicator Pads are great for applying waxes, polishes, and leather care products. Microfibre is scratch-free and safe for all surfaces.
